PROFESSIONAL PROFILE

I am a creative, artistic and ambitious Graphics Designer with a talent for thinking outside the box and coming up with innovative ideas and designs. I have a clear, logical mind with a practical approach to problem-solving and a drive to see things through to completion.

MAIN PROJECTS

3D PRINTER

3D Printer CR10S Assembly Project

- This is my personal project that I worked on where I disassembled my 3d printer. Then I created every part in Inventor and assembled them to replicate the printer as a 3d model.
- Technology: Adobe Inventor, Ultimaker Cura

SCRIBER

Moulding Scriber

- This is a idea for a scriber which I created for an engineer at Hatcher Components.
- Technology: Adobe Inventor, Ultimaker Cura
